

Facebook Fundraising

Once you have created a personal fundraising page, you can sync your this page to Facebook to expand your reach and provide an even bigger impact!

*****IMPORTANT*****

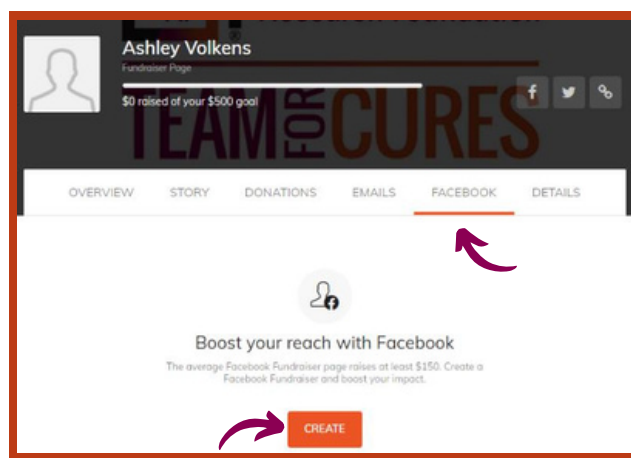

You **MUST** set up your Facebook Fundraiser through your Team for Cures fundraising page **NOT** on Facebook first.

How to Create Your Facebook Fundraiser

1. Log in to your fundraising page by clicking **sign in** at the top-right corner.
2. At the top-right of your page click **manage**.

3. This will take you to a screen that looks like the one you see below. Select the **Facebook** tab.
4. Select the orange **create** button.

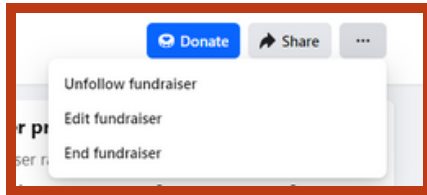

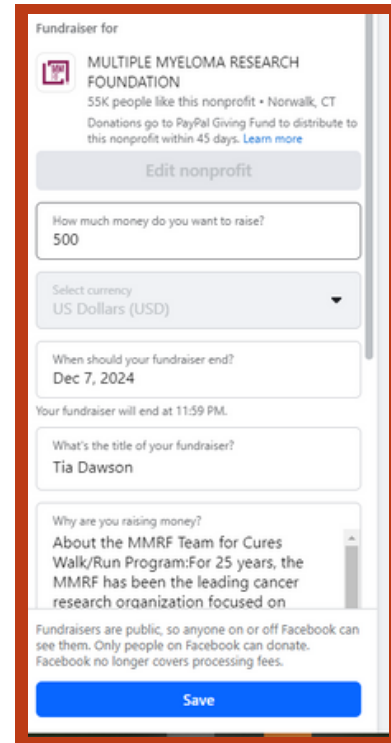

5. If you aren't already signed into Facebook, you'll be prompted to sign in. You will then need to accept permissions. **YOU DID IT!!!**

How to Share and Edit Your Facebook Fundraiser

Editing your Facebook Fundraising Page:

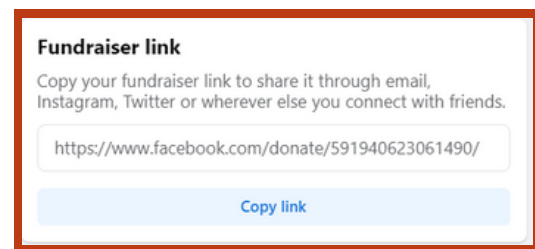

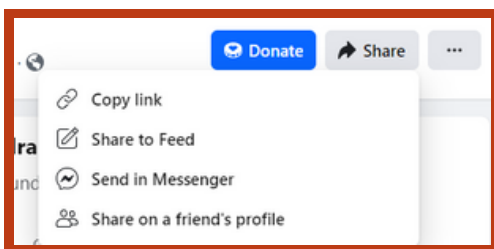

1. Your Facebook fundraiser information will transfer over from your Team for Cures fundraising page.
2. Click **view** to go to your Facebook Fundraiser.
3. The goal, length of fundraiser, about section, and background image can only be changed in Facebook. Click the **three dots** on the right side and then **edit fundraiser**.

4. **Edit fundraiser** will bring up the screen here where you can make those edits.
5. You can edit the other details at any time from your fundraising page by clicking **manage** at the top right of the page.

What's Next?

1. Share away! Facebook will automatically post your fundraiser to your timeline!
 - a. Click share on Facebook to share to feed, in Messenger, or to a friend's profile
 - b. Copy Fundraiser link to share through email or text

2. Donations collected on Facebook will show on your Team for Cures fundraising page.
3. You can thank donor's directly on Facebook!
